Scenario-Based Practice PC

Scenario:			
Classification (ELA, Math, Science, Social Studies, VPAA, World Language, Health/PE)	**Course to be Modified (Course Name)**	**Description of Modification/ Replacement of Content or Course**	**Justification for Modification**
			How does this modification align to the student's EDP (and, if applicable, their IEP Transition Plan)?
			How does this modification align to the student's post-secondary education and/or training?
			Using data, define the proficiency level in related subject area being modified.
			Does the modification to this content area create barriers to the student's ability to obtain employment and/or education and training in their identified career pathway(s)?
