Internship Agreement

We are excited you are interested in participating in the Health Careers Immersion Program. This experience will provide you with exposure to a variety of careers in health care. This is an OBSERVATION experience – there is no direct patient care.

Participation in this off-campus experience is to be considered the same as participation in other school activities. Students are subject to rules and regulations of attendance, behavior, attitude and compliance with the organization’s confidentiality statement and dress code.

Please read the standards of behavior listed below carefully and indicate your acceptance of these requirements on the signature page.

**Kent ISD Standards**
Student will be offered career exploration Immersion experiences in a healthcare setting and be placed as closely as possible to the interest area indicated on application. Due to student availability and placement capacity, we cannot guarantee an exact match.

Student must complete all application forms by stated deadline and attend a Kent ISD & Hospital orientation session prior to placement.

Student must provide a valid email address to the Kent ISD Career Exploration Coordinator for all correspondence.

Students must complete a weekly online feedback form to provide attendance and observation information.

**Worksite Standards**
Follow Dress Code Standards for Healthcare Placement Sites as discussed during the Kent ISD Orientation

Student will maintain confidentiality as specified by HIPAA.

Student will act with respect, compassion and integrity at the placement site, completing all duties as assigned.

Student must participate in routine tasks as assigned by their mentor or other staff.

**At no time will students be involved in direct patient care.**

Student understands that any felony conviction precludes employment in the healthcare profession and involvement in the Immersion program. Any illegal/unethical behavior will result in student’s withdrawal from the Immersion program.

Cell phones are not permitted at the clinical site. It is recommended that cell phones be locked in the student’s car while at the Immersion site.

Student must be willing to submit and pay for random drug testing at the discretion of the healthcare organization. A positive drug screen will result in student’s immediate termination from the Immersion program.

**NOTE:** Students are responsible for their own transportation to the placement site and to any excursions, tours, and/or assigned off site facilities. Support for transportation MAY BE available. Please contact KristaHarmon@kentisd.org or 616-365-2369 for information.
School Standards

Student must comply with all school rules and regulations; i.e., attendance, assignments, behavior, etc.

If the student is receiving classroom credit for the Health Careers Immersion experience, the student is responsible for having all school paperwork signed and returned to school.

General Agreement

In order to provide equal access to all students in Kent County, and to prevent jeopardizing patient care time by having clinicians return phone calls, students and/or parents are to refrain from personally contacting sites directly to elicit assignments. **ALL IMMERSION PLACEMENTS MUST BE PROCESSED THROUGH KENT ISD.**

If there is an existing friend/family relationship at a healthcare site, please inform the program coordinator so that the opportunity may be explored.

It is understood that this is a job shadow experience and students will not perform patient care or assume responsibility for a patient.

**PARENTS/GUARDIANS:** Your student is responsible for their own transportation, both to the assigned clinical setting and to any off site placement tours, visitations, rotations, etc. as arranged by the program coordinator. Free transportation may be available. Contact KristaHarmon@kentisd.org.

By signing below students and parents/guardians indicate that they have reviewed all aspects of the application and are citing approval for the application document and the required standards.
