**Our Mission** – To build a comprehensive model for identification, training, shared resources, and effective practices which promotes collaboration and consistency between families, educators, and community partners in support of our students with ASD.

### Our Philosophy Supports:

- Multi-disciplinary collaboration
- Services that are individualized and utilize evidence-based interventions and strategies
- Intervention driven by the student's present level and on-going assessment
- Use of positive behavior support and proactive approaches to address challenging behaviors
- Inclusion of families and community partners as critical team members
- Continuous improvement of programs and services based on current data
- Focusing on opportunities in integrated environments
