Join us for the **first** day of a 2-day assistive technology extravaganza, the **second** day of a 2-day assistive technology extravaganza, or **BOTH!** AssisTechKnow will start with a keynote speaker each day, followed by over 20 concurrent break-out sessions on a multitude of topics (topics will differ on each day). Learn about tools and strategies to address the needs of students in general education, team-taught classrooms as well as categorical early childhood, elementary and secondary classrooms.

There will be a variety of assistive technology learning opportunities for general and special educators, OTs, PTs, SLPs, school psychologists, administrators, and parents. Topics will include technology tools to enhance learning, implementation of tools within the classroom, Universal Design for Learning strategies, assistive technology assessment and implementation, technology for computer access, iPad/Tablet apps and ideas, augmentative communication, early childhood and more.
