

Autism Spectrum Disorder Conference

Hands on Learning for General and Special Educators

Wednesday, November 11, 2015 from 8:00 AM to 3:30 PM

Keynote speaker, **Anthony Ianni**, is a former MSU graduate and basketball player who was diagnosed with Pervasive Developmental Disorder at the age of 4. Anthony has devoted himself to touching the lives of others who face the same challenges that he did throughout school. His story is truly inspiring!

The ASD Conference: Hands on Learning for General and Special Educators is a unique conference that will provide teachers and related service providers from around Kent County, with a hands on opportunity to learn useful evidence based practices and strategies for promoting success and engagement for students with Autism Spectrum Disorder, in the general education classroom.
