

## ASD IEP BOOT CAMP

FEBRUARY 1, 2017 8:30 AM – 3:30 PM

Do you, as an educator working with the ASD population, need help writing and facilitating quality IEPs? Or do you need a refresher on the rules and regulations that pertain to ASD? Then this workshop is for you! We have heard you and specifically developed this workshop for ASD educators! This training will cover a variety of topics related to the Individualized Education Program.

This workshop is targeted for anyone interested in learning to write more meaningful, compliant IEPs for students with Autism and will include the following topics:

- \*Meeting Mechanics
- \*The PLAAFP as a descriptive foundation
- \*Writing functional goals and objectives
- \*Supplementary aids and services that support independence
- \*Programs and services decisions
- \*What is an IEP Amendment and how do I write one?

ASD IEP Boot Camp is not designed to address TIENET navigation questions.
