Hello,

Please see the email below and share widely regarding Michigan State University’s college transition program, Project Venture.

Applications are now open for Project Venture at Michigan State University. Project Venture is an exciting college transition program for high school students with disabilities ages 16-18. Project Venture offers students the chance to “try on” university life through an interactive, unique pre-college experience at MSU. This experience will benefit all students, regardless of whether they are planning on attending a 2 or 4-year college.

Program Dates: June 24-27, 2018

Students will:

- Meet other high school students with disabilities and interact with MSU Disability Specialists
- Participate in breakout activities in assistive technology and learning skills for college
- Become aware of self-advocacy skills and resources for a successful transition
- Meet with MSU faculty, attend a mock college class, and learn about other campus resources
- Stay three nights in an accessible residence hall and experience college campus life
- Have a great time and take a trip to attend a Lansing Lugnuts Baseball Game!
