I. Welcome and Announcements

We had three visitors in the group today – two from Grandville Public and one from Grand Rapids Public.

II. Approve Minutes of October 1, 2018

A motion was made by Jeni Gushiken to approve the minutes from October 1, 2018. Motion was seconded approved with no opposition.

III. Superintendents' Advisory Committee Update

- Kirsten Myers from Rockford Public Schools was hired to take Laurie's position. They are currently interviewing for the supervisor position (Paul's).

IV. Director's Report

- Center Program Review Update – A report is expected in January from Beth Steenwyk (will be on the website). They are moving ahead on building principal positions.
- SEE/S2E2 Program – This program was discontinued but that state is bringing it back. It allows districts flexibility with text scores – scores are sent back to the building student would be attending. Our ISD application is in process.
- An email is coming from Lori Matthews for those who are interested in attending the conference to possibly get a scholarship to cover costs.
- Approval of ISD Plan – no notes.

V. Assistive Technology Update – Kindy Segovia (AT Coordinator) and Suzy Ruskusky (AAC Consultant) shared updates with the group. You can receive AT updates at kisdat.org and on Kindy's Twitter acct: @kindysegovia #attidbit. Kindy also has an email list. Send an email to kindysegovia@kentisd.org and request to be added. There are many tools/devices in the Lending Library. AT decision making follows Kindy's SETT framework.

VI. Public Comment and Closing

No additional comments for closing.
