

SuccessLink

A program of Kent ISD

Connecting You to
Opportunity, Learning
and Your Future

**Earn real credits
and an actual high
school diploma!**

What is SuccessLink?

SuccessLink is a new program just for high school students within Kent ISD.

We combined online courses with the newest technology, plus lots of support, to help you do well.

All the technology you need is provided, including a laptop and web access. Our Online Orientation will introduce you to this kind of learning, so you can be comfortable and successful.

When you put these pieces together – good courses, instructors to help and the right technology – your efforts will really pay off. Get started learning and earning the high school credit you need for your diploma.

**Jump start your future –
You CAN do this!**

Support

SuccessLink can Work for You

- Learn anytime and anywhere
- Work at your own pace
- Learn easily with interesting activities and projects
- Test out of things you already know and move forward
- Build on your strengths and discover your skills and talents
- Get to know instructors who care and want to help
- Use the same new laptops as other students

The Support You Need

High school is tough and no one should go through it alone. Our team of support means you won't! You'll have these people on your side –

- **Online Instructor** – teaches, tutors, helps with homework, projects and grading
- **Success Coach** – answers homework questions and helps you overcome obstacles to your success
- **Tech Support** – troubleshoots and solves equipment issues
